### "Un rendez-vous mémorable"

Indeed the visit of the Chairman of the DPSS Padma Bhushan Shri V K Shunlu to DPS Ranchi was a great event and a gratifying entitlement at the first place.

Yet riveting is the fact that impulsion to document the RENDEZVOUS was not this but the afterglow of his visit.

The sublimity of his majestic stature left every soul exalted. His presence not only brought an aura of dignity to the proceedings but his own magnanimous aura and persona kept the ambience saturated even after his departure.

The sheer realization of the power and influence that a great leader exercises left us spellbound and compelled further to encapsulate the memory for the posterity to remember.

Any combination of the 26 letters of alphabet cannot express our gratitude, obligation and indebtedness for this rewarding perquisite.
